## Puppy Contract Buyer/Seller Agreement

### Health Guarantee

Seller certifies that this puppy is a purebred German Shepherd of sound body, good health, and free of communicable diseases as far as appears to the eye. This puppy has been checked by a veterinarian and was found to be healthy and has received two sets of puppy shots and been treated for worms. Buyer is encouraged to have the puppy examined by their own veterinarian within three days of the sale. You will receive a replacement puppy of equal or greater value from our next available litter if this puppy has a congenital defect which results (or may result) in death or in its having to be euthanized within one year of this sale. Seller must be provided with a written report of the dog's health problem from the Buyer's veterinarian. The buyer assumes full responsibility for all costs and care during this time.

### Hip Guarantee

**Full Registration:** This puppy is purchased with full AKC registration. Within two (2) years from date of purchase, should your puppy develop hip dysplasia or any genetic skeletal disorder, upon receipt of (1) a letter from a duly licensed veterinarian attesting to such condition (copies of x-rays may be required), (2) a copy of the O.F.A. evaluation report, (3) a spay or neuter certificate and (4) the AKC registration certificate on such puppy, you will receive a replacement puppy of equal or greater value from our next available litter. Exclusion: There are NO guarantees on a female puppy once she has been successfully bred.

**Limited Registration:** This puppy is purchased as a pet and may not be bred (intentionally or unintentionally). You agree to spay or neuter this puppy between the age of seven and nine months and to mail Burgin's Snowcloud Shepherds a veterinarian certificate stating the surgery has been performed. Within one (1) year from date of purchase, should your puppy develop hip dysplasia or any genetic skeletal disorder, which disorder will severely diminish your puppy's quality and enjoyment of life and necessitate euthanasia, upon receipt of (1) a letter from a duly licensed veterinarian attesting to such condition and (2) a certificate of euthanasia, as well as (3) the puppy's AKC registration certificate, you will receive a replacement puppy from our next available litter. A pet puppy who is found to have a mild condition, which condition will not in any way shorten or diminish the quality of life for that puppy, will NOT be replaced. On Limited Registration puppies, spay or neuter certificates from a duly licensed veterinarian must be provided before AKC registration papers and pedigree will be provided on such puppy.

### General

Due to the large size to which our dogs grow and to the variety and quality of available dog foods, we require that ALL our dogs be kept on NuVet Plus and NuJoint Plus nutritional supplements at least until the age of 2 1/2 years. This supplement can be ordered from NuVet at 1-800-474-7044 using order code: 77911. A monthly report is sent to Snowcloud kennels by NuVet Labs detailing which of our dogs is being supplemented with "NuVet Plus" and "NuJoint Plus." Failure to keep your pet on this supplement will render all guarantees null and void. Puppies must be on premium dog food through life. No chicken by-products, no wheat, no soy, no corn and no white rice. Feed Puppy large breed puppy food until 1.5 years of age.

Buyer is not required to return dog to Seller to obtain a refund under this contract. This guarantee will become void if hip problems arise due to the owner's neglect to follow these written guidelines concerning precautionary measures one must follow to avoid hip problems or due to any injury sustained while in buyer's possession.

## Satisfaction Guarantee

Seller guarantees that Buyer will be satisfied with the puppy purchased. If Buyer is not satisfied with the puppy received, puppy may be returned to the Seller at the Buyer's cost. Seller will replace the puppy or a full refund of the purchase price will be made (Seller's option). This Satisfaction Guarantee is valid for 72 hours after Buyer receives puppy.

## Registration Requirements

Registration papers will be furnished to Buyer upon receipt from the A.K.C. and when complete payment is made for the puppy and spay/neuter is complete. If payment is made by personal check or money-order, the registration papers will be held until the check/money-order has cleared. The Buyer has the option of naming their new dog with the exception that all puppies carry the kennel name "Burgin Snowcloud" at the front of their A.K.C. registered name. Buyer agrees to register this dog in accordance with the time limits specified by the A.K.C. and send a copy of that registration to Seller upon receipt. If Buyer fails to use "Burgin Snowcloud" in front of the registered name or to register the dog in accordance with this paragraph, all guarantees made by the Seller in this contract become void.

Pup is to be a microchip and DNA with the A.K.C.

## General Agreement Terms

One of the following paragraphs applies to this puppy. The others are non-applicable and are to be crossed out.

\_\_\_\_\_ Limited Registration Contract (A.K.C. limited registration). This puppy is considered to be a pet and may not be bred (not intentionally or unintentionally). Buyer agrees to spay or neuter this dog between the age of seven and nine months and mail the Seller a veterinarian verification upon completion of that operation. If no spay or neuter certificate is received by the Seller by the time the puppy reaches nine months of age, the buyer agrees to pay the remainder of the full amount of \$5000.00 to the seller for keeping a breeding dog, male or female.

Buyer Signature: \_\_\_\_\_ Date: \_\_\_\_\_

\_\_\_\_\_ Full Registration Contract (A.K.C. full registration) for a female puppy. This puppy is to be considered to be breed quality. Buyer agrees to allow puppy to mature before being bred. Once a female has been successfully bred our Hip Guarantee will no longer be in effect. This is because pregnancy can cause Hips to expand and therefor taint the Certificate results. Female x-rays also can not be taken during the females heat cycle or just prior to or after (30 days) that cycle.

\_\_\_\_\_ Full Registration Contract (A.K.C. full registration) for a male puppy. This puppy is to be considered to be breed quality. Buyer agrees to allow puppy to mature before breeding.

Buyer agrees to not tie out or chain this puppy unless supervised for the duration by an adult. If this puppy cannot be kept for any reason, the Buyer agrees to give the puppy back to the Seller. If Seller elects to take the dog back, Buyer agrees to supply and transfer all corresponding registration papers and to supply a current health certificate at the time of delivery. Should the dog be sold elsewhere or ownership transferred from original buyer, this contract would become void (this contract is non-transferrable). Buyer agrees to provide this dog with adequate nutrition and a full round of available annual vaccinations. Buyer agrees not to mistreat this dog in any shape or form nor allow any type of laboratory tests (such as cosmetic or medical experiments) to be performed on him/her. Please understand that we at Burgin Snowcloud Kennels are animal lovers and desire that none of our animals suffer cruelty in any fashion. Violation of this contract will constitute the Buyer's unconditional surrender of the purchased dog and all registration documents at no cost to Seller.
