Puppy Contract Buyer/Seller Agreement

Health Guarantee

Seller certifies that this puppy is a purebred German Shepherd of sound body, good health, and free of communicable diseases as far as appears to the eye. This puppy has been checked by a veterinarian and was found to be healthy and has received one set of puppy shots and been treated for worms. Buyer is encouraged to have the puppy examined by their own veterinarian within three days of the sale. You will receive a replacement puppy of equal value from our next available litter* if this puppy has a congenital defect which results (or may result) in death or in its having to be euthanized within one year of this sale. Seller must be provided with a written report of the dog's health problem from the Buyer's veterinarian. The buyer assumes full responsibility for all costs and care during this time.

*Replacement puppy of equal value as determined by the seller, and availability. Buyer requesting a replacement must contact the seller with documentation as soon as possible to allow the breeder opportunity to reserve a replacement pup. Puppies that are already reserved for sales to other buyers will not be available as replacements. Replacement animals of same color as the original purchased puppy are not guaranteed.

Hip Guarantee

Limited Registration: This puppy is purchased as a pet and may not be bred (intentionally or unintentionally). You agree to spay or neuter this puppy between the age of fifteen and nineteen months and to mail Burgin's Snowcloud Shepherds a veterinarian certificate stating the surgery has been performed. Within one (1) year from date of purchase, should your puppy develop hip dysplasia or any genetic skeletal disorder, which disorder will severely diminish your puppy's quality and enjoyment of life and necessitate euthanasia, upon receipt of (1) a letter from a duly licensed veterinarian attesting to such condition and (2) a certificate of euthanasia, as well as (3) the puppy's AKC registration certificate, you will receive a replacement puppy from our next available litter. (please see *health guarantee above) A pet puppy who is found to have a mild condition, which condition will not in any way shorten or diminish the quality of life for that puppy, will NOT be replaced. On Limited Registration puppies, spay or neuter certificates from a duly licensed veterinarian must be provided before AKC registration papers and pedigree will be provided on such puppy.

General

Due to the large size to which our dogs grow and to the variety and quality of available dog foods, we require that ALL our dogs be kept on either Dog Bloom VM Supreme and Performance Bloom or NuVet Plus and NuJoint Plus nutritional supplements at least until the age of 2.5 years. After 2.5 years all dogs should be kept on the VM Supreme or NuVet Plus for life. These supplements can be ordered from burginssnowcloudshepherds.com. A monthly report is sent to Snowcloud kennels by the supplement sellers detailing which of our dogs is being supplemented with each supplement. Failure to keep your pet on this supplement will render all guarantees null and void. Puppies must be on premium dog food through life. No by-products, no wheat, no soy, no corn and no white rice. Feed Puppy large breed puppy food until 1.5 years of age.

Buyer is not required to return dog to Seller to obtain a refund under this contract. This guarantee will become void if hip problems arise due to the owner's neglect to follow these written guidelines concerning precautionary measures one must follow to avoid hip problems or due to any injury sustained while in buyer's possession.

Satisfaction Guarantee*

Seller guarantees that Buyer will be satisfied with the puppy purchased. If Buyer is not satisfied with the puppy received, puppy may be returned to the Seller at the Buyer's cost. Seller will replace the puppy or a full refund of the purchase price will be made (Seller's option). This Satisfaction Guarantee is valid for 72 hours after Buyer receives puppy.

***Coat color is not guaranteed.** Color of the puppy/dogs coat may and often will change over time. Seller does not guarantee any coat color and will not provide a refund due to coat color change.

Registration Requirements

Registration papers will be furnished to Buyer upon receipt from the A.K.C. and when complete payment is made for the puppy and spay/neuter is complete. If payment is made by personal check or money-order, the registration papers will be held until the check/money-order has cleared. The Buyer has the option of naming their new dog with the exception that all puppies carry the kennel name "Burgin Snowcloud" at the front of their A.K.C. registered name. Buyer agrees to register this dog in accordance with the time limits specified by the A.K.C. and send a copy of that registration to Seller upon receipt. If Buyer fails to use "Burgin Snowcloud" in front of the registered name or to register the dog in accordance with this paragraph, all guarantees made by the Seller in this contract become void.

Pup is to be avid microchip and DNA registered with the A.K.C. by the buyer.

General Agreement Terms please check and sign all sections to verify agreement to these terms stated above and below in this contract.
